

# *Galia 600 Hardtop*

## *A compact hardtop with bright and spacious interior*

*Galia 600 Hardtop is a classic fishing boat best suited for colder climates thanks to its enclosed quarterdeck cabin. Ample cockpit space is occupied only by a transom bench, rod holders and an extra fishing box with electric drainage – perfect for a keen fisherman.*

*The wheelhouse is surrounded by windows and holds two berths at the bow. A complete water system combined with a chemical toilet will come in handy especially on long escapades. Other options include an electric anchor system, teak elements and various color lines.*
